From the Director....

Greetings ~

Summer is a wonderful time to dance! Warmer weather (but we do have air-conditioning!) allows muscles to stretch and it is lovely to dance during the long summer evenings. It is also a time when students do not have the long hours and heavy homework loads of the academic year and can use their energy to make terrific progress!

Our **Mini-Intensives** are back!! This year's featured intensives are **James Morrow's Hip-Hop/Fusion**, **Sarah Cullen's Contemporary Styles, Contemporary Techniques & Repertory** with **Jonathan Alsberry**, and **Humphrey-Weidman Technique and Repertory** with **Gail Corbin** and **Deborah Carr**.

The **Young Dancers' Intensive** is for Ballet Levels 6 and 7 Academy dancers who wish to continue to build their technical skills in ballet, pointe/prepointe, modern dance and jazz, and to have a choreography/ composition class. Dancers in these levels may wish to do Summer **MOMENTA** and this will make a five day intensive - finishing with creative and exciting performances.

Ballet Levels 3, 4 and 5 have their own **Young Dancers' Intensive** that is placed later in the day, with ballet, modern dance and jazz making it possible to do multiple classes easily and build new skills over the summer. The timing of this **Young Dancers' Intensive** allows students to participate in community activities and camps.

Adult Ballet and Adult Humphrey Modern are in the schedule for those adults who want to try some summer classes designed for the busy adult who can only attend one or two classes a week.

Great Ballets for Young Dancers for our youngest dancers gives the little ones an introduction to the greatest classical ballets with beautiful musical scores and an almost endless supply of glorious costumes – **and we have a wonderful class again – Mini-Musicals**; each week there will be a different musical for our about-to-be in kindergarten through 2nd grade dancers – shows like *Doe a Deer (Sound of Music)*, *Food Glorious Food (Oliver)*, *I Just Can't Wait to be King (Lion King)*, and more will have dancers humming famous tunes and learning Broadway inspired routines.

We hope you will enjoy this copy of our Summer Schedule for 2017. There really is something for everyone here, and summer often allows the extra time to try something new or different. Whether you are a continuing music student who might want to try a dance or stretch class, or an adult dancer who wants to take piano lessons, the Academy can meet your needs. If you or your child are thinking about returning to dance classes, even if it's been a while, we'd love to have you join us again. If you've never been to the Academy, we really hope you'll come and discover all the different opportunities that are here for the smallest two year old preschool child to the advanced performer.

Welcome!

MOMENTA

6 WEEK SESSION: JUNE 12 – JULY 22
NO CLASS ON MONDAY & TUESDAY, JULY 3RD & 4TH

FOR BALLET LEVELS 6-9

Perform!

Students work with professional choreographers and have the opportunity to perform* in up to four new dance works (or two, if only doing half-time) at the end of the five weeks. Through a more intense rehearsal period, dancers will improve on performance skills such as stage presence and dancing with an ensemble. For returning **MOMENTA** members this is a great way to keep your performance skills in shape over the summer. For dancers who have not been in **MOMENTA** yet, this is the perfect introduction to performing with a company.

Choreography by:

Mei-Kuang Chen, Sarah Najera, Gina Sigismondi and Caroline TeDesco

Interested in Choreographing?

We have a few slots available for a select group of student choreographers. Student choreographers must be enrolled in full-time or half-time Summer **MOMENTA** to be eligible. Interested students should contact Anita.

Ballet Levels 6-9

Full Time: Tuesdays and Thursdays 1:00 – 5:30 PM **Tuition: \$425**

Half Time: Tuesdays and Thursdays 1:00 – 3:15 PM

OR 3:15 – 5:30 PM Tuition: \$275

***All Summer MOMENTA participants will perform on Friday, July 21 and Saturday, July 22**

FOR BALLET LEVELS 10 & 11

For students who will be in Ballet 10 or 11 in the summer, we offer a choreography workshop over 5 Saturdays. Dancers may elect to choreograph, just dance, or do both! Completed works will be included in the summer **MOMENTA** concert* and student works that show exceptional merit will be considered for Fall **MOMENTA**.

Students who wish to choreograph may also elect to work with the younger dancers on Tuesdays and Thursdays instead of Saturdays.

Ballet Levels 10 & 11

Full Time: Saturdays 10:00 AM – 2:00 PM **Tuition: \$350**

Half Time: Saturdays 10:00 AM – 12:00 PM

OR 12:00 PM - 2:00 PM Tuition: \$200

Choreography only: **Tuition: \$100**

***All Summer MOMENTA participants will perform on Friday, July 21 and Saturday, July 22.**

ELIGIBILITY FOR PARTICIPATION IN SUMMER MOMENTA:

Dancers in **MOMENTA** must be taking at least two ballet classes a week at the Academy for their level. Dancers are also strongly recommended to take the Stretch & Tone Class before **MOMENTA** rehearsals. Dancers who are not enrolled in regular technique classes at the Academy are not eligible to participate in **MOMENTA**.

Ballet 6-9: Dancers who will miss more than one day of rehearsal are not eligible for Summer **MOMENTA**.

Ballet 10 & 11: In order to participate, dancers must be present for rehearsals on all five Saturdays: June 17, June 24, July 1, July 8, July 15, and for tech/dress rehearsal on July 18 & July 20.

9. No gum or nuts are ever allowed in the building.

The Academy is a **NUT FREE, GUM FREE ZONE**. **NO NUTS** or anything made with nut products are allowed in the building.

Traffic Regulations

The Academy is located in a densely packed residential neighborhood. The high school playing fields are nearby and they, along with the Academy, generate a great deal of traffic. Please follow these rules to help the Academy stay on good terms with our neighbors AND FOR THE SAFETY OF ALL THE CHILDREN!

Please comply with these traffic Regulations!

1. Academy traffic **must travel ONE WAY** on Bishop Quarter Lane – entering on the east side of the U shaped drive by turning RIGHT as you drive west. Please **do not turn left from North Blvd** as you travel east. **For the safety of all, traffic should never move on the drive at more than 5 miles per hour.**

2. If you are **picking up** your student, you may join the carpool lane on the east side of our drive - this lane is intended to be slow moving at all times. Please **DO NOT COME EARLY** and just sit in the driveway and **NEVER** leave your car unattended in that lane. Most students need a few minutes to get their belongings or change clothes after class; if you come early, you will not get your student earlier. You must stay in the east lane of the Bishop Quarter Lane until you see your student on the Academy steps. Please be aware that if a group of students exits the building at the same time, chances are the student of the person in front of you in line is also out and they will be moving forward to collect their student, so there will be no need for you to pull out of the east lane. If, however, the car in front of you does not move with

the other cars, when there is room to go around the curve and **pull up to the pole**, you may move out of the east lane and go forward to get your student. **You must not stop in front of the neighbors' drives while in the west lane.** Please yield right of way to any neighbor attempting to pull in or out of his/her drive.

3. If you are **dropping off** your student, coming 10 – 15 minutes before class starts to allow time for the student to change clothes is a good plan. You may travel in the west lane of the drive, but you must be very careful to pull up all the way to the pole and your student should be quickly ready to exit the car. This is not a good time for discussions. When our traffic piles up, blocking the whole driveway, our neighbors become very upset with the congested drive, especially if they need access to their driveways.

4. When walking your child to and from the Academy, **please use the sidewalk!** Do not walk in the middle of the driveway and **never walk across the neighbors' driveways or through their private courtyard.**

5. **PLEASE DROP OFF OLDER DANCERS OUT ON LAKE STREET TO WALK INTO THE ACADEMY.**

6. **Never enter into or park in the U-shaped drive to the north of our building off of Lake Street. This is private property, and although the neighbors are gracious about having our students walk from Lake Street, they have a very active towing service for non-resident cars. You will be towed!**

7. **PARKING** next to the Academy building or in front of the Academy garages is reserved for **STAFF ONLY**. Please do not park even for “just a minute” – **park only on Lake Street, East Avenue or in the METERED slots on North Blvd.** Please do not **pull into the townhome driveways at any time.**

8. **To accommodate our Preschool A.R.T.S. parents**, we have Academy staff available to greet and dismiss children whose parents choose to use our carpool system during preschool hours.

9. **Failure to comply with these regulations may result in your student's dismissal from the Academy. The rules apply to everyone, and keeping a good relationship with our neighbors is important to the Academy!**

THANK YOU FOR YOUR COOPERATION.
